

# The University of Iowa Department of Orthodontics "Advancing Orthodontics, One Smile at a Time"

Dear Alumni and Friends,

Thank you! Thank you! Thank you! The Bigelow Orthodontic Clinic is now complete following eight years of planning, designing, and remodeling. A very special, heartfelt, thanks goes out to everyone who supported this project (please see list of contributors below). You are the best!

## Bigelow Orthodontic Clinic

### Dr. Harold "Buzz" and Mary Bigelow

Dr. Bigelow was the best of what we were, the best of what we are and the best of what we hope to become.

Beloved by his patients, residents, and staff, Buzz was a devoted husband, father, orthodontist, and educator who will forever be remembered with admiration and affection.

We are better persons for having known him.

**This listing gratefully recognizes alumni, friends, faculty and staff who contributed to the College of Dentistry Building Fund in support of the Harold "Buzz" and Mary Bigelow Orthodontic Clinic.**

## Iowa Society of Orthodontists

### 2016 Annual Meeting

#### October 2 & 3, 2016

The focus of the **Bigelow Orthodontic Clinic**, like the College of Dentistry, is education. Members of the Iowa Society of Orthodontists held the Sunday portion of their annual meeting in October at the College, which included a brief tour of the orthodontic clinic. It is fair to say that our alumni and friends were thrilled with the renovation. Speakers at the 2016 ISO meeting included orthodontic faculty (Sunday) and outside speakers on Monday. We hope to repeat in 2017. Again, thank you for supporting your Department. We continue to become stronger because of you !!
