

IOWA wins 1st place, again!

Dear alumni and friends,

Wow! I am so very proud of our residents and our Residency Program. Thank you all for your years of support. We look to the future to serve you and IOWA. Please read about the award below. . . . Tom

Each year, at the American Association of Orthodontists' annual meeting, residents throughout North America compete by presenting records of their best treated cases (patients treated during their residency).

- In 2014, of the 56 orthodontic programs represented (168 cases on display, total), the University of Iowa won **2nd PLACE**.
- In 2015 of the 64 programs represented (192 cases on display), the University of Iowa won **1st PLACE**.
- And now, in 2016, of the 66 programs represented (199 cases on display), the University of Iowa won **1st PLACE!**

As illustrated below, 80% of the Iowa orthodontic residency program graduates have passed the American Board of Orthodontics Initial Certification Examination using records of patients they treated during their residency. This contrasts with only 32.6% nationwide.

Class of 2009-2015 (7 years)	Nationwide	IOWA
Total Graduates	2480	35
Total Certified	809	28
% Certified/Graduates	32.6%	80.0%

FACULTY SPOTLIGHT

Dr. Marshall was presented The O.B. Vaughan Special Recognition Award

.....from the American Board of Orthodontics. This award is given to an individual who has significantly contributed to orthodontic education and furthered the ideals of the American Board of Orthodontics (ABO).

Dr. Marshall received his orthodontic training at Northwestern University Dental School. He has maintained a private practice and participated in teaching for 29 years. He is currently a Visiting Professor in Orthodontics at the University of Iowa. Steve's scholarly activities include serving on forty-nine master's thesis committees, eleven of when he directed;

co-authoring one orthodontic textbook; authoring or co-authoring 3 book chapters and 33 peer-reviewed articles and 13 abstracts. He has given numerous presentations nationally. He is a reviewer for the AJODO, the Angle Orthodontist, and the Journal of the World Federation of Orthodontist. In 2012 he was awarded AJO-DO top reviewer. He currently serves as the Associate Editor for the Clinician's Corner section of the AJO-DO and is an ABO Advocate for the Department of Orthodontics. Steve is married to Susan Marshall and is the father of two lovely daughters.

"Congratulations, Steve!"

Dr. Staley just received a US Patent !!

Dr. Robert Staley was recently granted a US Patent for a novel bracket he designed.

"It is difficult for me to express the high degree of admiration that I have for Dr. Staley. He made a significant and positive impact on my life and I still think of him fondly and often. There aren't many people that possess his combination of genuine kindness, intelligence, patience and humility. I am a better doctor and person for having known him. . . . Best wishes to all of my 'Iowa Family'"

Ronald P. Kolodziej

Dr. Timothy Trulove elected to serve as a director of The American Board of Orthodontics

The American Association of Orthodontists (AAO) House of Delegates elected Timothy Trulove, DMD, MS of Montgomery, Alabama, to serve as a director of The American Board of Orthodontics (ABO)

"I am extremely honored and thankful to be representing the AAO as the new ABO Director," Dr. Trulove said. "It is humbling to be following in the footsteps of so many great orthodontists and mentors that have served as directors in the past."

Dr. Veerasathpurush is Co-investigator on a \$600,000 grant titled "Establishing a Craniofacial Biorepository in the College of Dentistry" recently awarded by the Carver Trust Foundation. This award will position the University for a future precision medicine initiative.

Taylor, Julie and Kyungsup gathered together for lunch after the ICE exam (picture). "We shared our experiences from the exam, and my impression is that all three of us did great." All 3 passed!

DSB news - I had a great time with the residents this past Friday. Here is a picture of me with the group. It was great seeing everyone!

Sincerely, **Greg Jorgensen**
